

## 2020/21 Player Registration

### HOW TO ACCESS YOUR ACCOUNT:

1. Go to this website: <https://system.gotsport.com/>
2. Enter the email address that was used for your child's YMS registration in TeamSnap in the EMAIL/USER ID spot, and select "FORGOT PASSWORD"  
  
\*"Parent 1" & "Parent 2" email addresses were copied from your player registration in TeamSnap, and in some cases may have been imported from EPYS 2019/20 registrations. If you are having trouble accessing your child's account or completing any of the requirements, please try one of those other possible email addresses!
3. GotSport will send you an email so you can set your password and gain entry into the system.
4. Once you gain access to the system, you will be in your **parent account** (the account name should be the parent name – DO NOT CHANGE IT TO THE PLAYER'S NAME). From the "**ACCOUNT**" tab, click on the "**FAMILY**" link on the left-hand side to access your **child's profile**. Once you click on the child's profile, you will have the ability to upload a photo, birth certificate (if necessary) and sign the EPYSA forms.
5. If multiple player name options are available after you click FAMILY, be sure to choose the one with the name that matches your child's birth certificate. (For example, choose "John Doe" not "Johnny Doe"). All player names must match the name on their birth certificate exactly. Age verifications from 2019/20 were imported using formal birth certificate names, and players will not be verified unless the names match.
6. Once you log into your player account, please check the information for accuracy and update as needed.  
\*Note all player names must match the name on their birth certificate exactly. No nicknames!
